

Kent County Road Commission

November 21, 2017

KNAPP STREET WIDENING PROJECT

Knapp Street Area Property Owner/Business/Resident:

The Kent County Road Commission is planning to widen two segments of **Knapp Street in 2018:**

- ❖ **Segment 1 from east of Dunnigan Avenue to 900 feet west of Grand River Drive**
- ❖ **Segment 2 from Shadyside Drive to 400 feet west of Pettis Avenue**

This project will provide for a 3 lane roadway, one lane in each direction and a center turn lane. Work will include tree removal, culvert extensions, ditches, concrete curb and gutter, earthwork, grading, sand subbase, aggregate base, asphalt paving, pavement markings and restoration. Areas within the project limits with existing center left-turn lanes will not be widened.

We have scheduled a project information **open house between 5:00 p.m. and 7:00 p.m. on December 12, 2017**, at Grand Rapids Township located at 1836 East Beltline, NE. There is no planned presentation; therefore you can arrive anytime between 5:00 PM and 7:00 PM.

The purpose of the open house is to provide property owners and businesses with an opportunity to review and comment on the preliminary plans for this road improvement project. Representatives of the Road Commission will be present to answer questions about the proposed construction. If you are not able to attend the open house, but have questions about the project; please call me at (616) 242-6914.

Sincerely,

Wayne Harrall
Deputy Managing Director of Engineering
